Baby are you down? down, down, down	You'll be my only
Even if the sky is falling down, down, down	No need to worry
You (1) know	Baby are you down? down, down, down
Tonight is the night to let it go	Baby are you down? down, down, down
Put on a show	Even if the sky is falling down
I wanna see how you lose control	Down (16) she's suppose to be
So leave it behind, (2) we (3) a night	She (17) down me
to get away	Down like her temperature
So (4) on and fly with me	Cause to me she's (18) degrees
As we make our (5) escape	She's cold, (19) freeze
So baby don't worry	I got (20) girl from over seas
You are my only	Now she's my Miss America
You won't be lonely	Now can I be her soldier, please?
Even if the sky is falling down	I'm fighting for this girl on the battlefield of love
You'll be my only	Got me (21) like baby Cupid
No need to worry	Sending (22) (23) above
Baby are you down? down, down, down	Don't you ever leave the side of me
Baby are you down? down, down, down	And waiting definitely, not probably
Even if the sky is falling down	And honestly I'm (24) like that economy
Just let it be	Baby don't worry
Come on and bring your (6) to me	You are my only
I'll take you away	You won't be lonely
Turn (8) place (9) our	Even if the sky is falling down
(10) getaway	You'll be my only
So (11) it behind, cause we (12) a	No need to worry
night to get away	Baby are you down? down, down, down
So (13) on and fly (14) me	Baby are you down? down, down, down
As we (15) our great escape	Even if the sky is (25) down
