

Fill in the gaps

Bed Of Roses by Bon Jovi

Sitting here wasted and wounded
At this old piano
Trying hard to (1)_____ the moment
This morning I don't know
'Cause a bottle of vodka
Is still lodged in my head
And some blonde gave me nightmares
I think that she's still in my bed
As I dream (2)_____ movies
They won't make of me when I'm dead
With an ironclad fist I (3)_____ up
And French kiss the morning
While some marching band keeps
Its own beat in my head
While we're talking
About all of the things that I long to believe
About love and the truth
And what you mean to me
And the truth is
Baby you're all that I need
I want to lay you (4)_____ in a bed of roses
For tonight I sleep on a bed of nails...
I want to be just as close as the Holy Ghost is
And lay you down on a bed of roses
Well I'm so far away
That each step that I take is on my way home
A king's ransom in dimes
I'd given each night
Just to see through this payphone
Still I run out of time
Or it's hard to get through
Till the bird on the wire

Flies me back to you
I'll just (5)_____ my eyes... and whisper
Baby blind love is true
I want to lay you down in a bed of roses
For tonight I sleep on a bed of nails
I want to be just as close as the Holy Ghost is
And lay you down on a bed of roses
Where the hotel bar hangover whiskey's gone dry
The barkeeper's wig's crooked
And she's giving me the eye
I might have said yeah
But I laughed so hard I (6)_____ I died...
Now as you close your eyes
Know I'll be thinking about you
While my mistress she calls me
To stand in her spotlight again
Tonight I won't be alone
But you know that don't
Mean I'm not lonely
I've got nothing to prove
It's for you that I'd die to defend
I want to lay you (7)_____ in a bed of roses
For tonight I (8)_____ on a bed of nails
I want to be just as (9)_____ as the Holy Ghost is
And lay you down...
I want to lay you down in a bed of roses
For tonight I sleep on a bed of nails
I want to be (10)_____ as close as the Holy Ghost is
And lay you down in a bed of roses

Answer

1. capture
2. about
3. wake
4. down
5. close
6. think
7. down
8. sleep
