To Be With You
Hold on (1) girl
Show me what he's done to you
Stand up little girl
A (2) (3) can't be that bad
When it's through, it's through
Fate will twist the both of you
(So come on baby)
Come on over
Let me be the one to show you
I'm the one who wants to be with you
Deep inside I hope you (4) it too
Waited on a line of greens and blues
Just to be the next to be with you
Build up your confidence
So you can be on top for once
Wake up who cares about
Little boys that talk too much
I've seen it all go down
(Your game of love was all rained out)
(So come on baby)
Come on over
Let me be the (one to) hold you
I'm the one (who wants to be with you)

Deep inside I hope you feel it too
Waited on a line of (5) and blues
Just to be the next to be with you
Why be alone
When we can be together baby
You can make my life worthwhile
And I can make you (start to) smile
When it's through, it's through
Fate (6) twist the both of you
Singing (so come on baby come on over)
(Let me be the) one to show you
I'm the one who wants to be with you
Deep inside I hope you feel it too
Waited on a line of greens and blues
Just to be the next to be with you
I'm the one who wants to be (7) you
Deep (8) I hope you feel it too
Waited on a line of greens and blues
Just to be the next to be with you
Just to be the next to be with you
