

## Fill in the gaps

There's a still in the street outside your window	Lay your body down
You're keeping secrets on your pillow	Lay your body down
Let me inside, no cause for alarm	Lay your body down
I promise tonight not to do no harm	Lay your (4) down
I promise you baby, I won't be no harm	Lay (5) body down
And we're caught up in the crossfire	Lay your body down
Of heaven in hell	Tell the devil that he can go back from where he came
And we're searching for shelter	His fiery arrows drew their bead in vain
Lay (1) body down	And (6) the hardest part is over we'll be here
Lay your body down	And our (7) will break the boundaries of our
Lay your body down	fears
Watching your dress as you turn down the light	Boundaries of our fears
I forget all about the storm outside	Lay your (8) down
Dark clouds (2) their way (3) town	Lay your body down
Heartache and pain came pouring down like	Lay your body down
Chaos in the rain, yeah	Lay your body down
They're handing it out	Lay your (9) down
And we're caught up in the crossfire	Lay your body down
Of heaven and hell	Next to mine
And we're searching for shelter
