

Fill in the gaps

I don't know what I'm doing here	You know it
How I landed in this space	Don't (6) it wait
But it's a good place	These are words I wanna say
And I don't wanna mess it up	Every (7) of every day
Make mistakes or say too much	These are words that say how good it feels
'Cause it's a good place	To be here with you today
You find it	I hope it's not too late
You hold it	'Cause I don't wanna waste another summer
You feel its grace	I don't wanna wait until I fall
These are (1) I wanna say	I could be a memory tomorrow
Every (2) of every day	I could be nothing at all
These are words that say how good it feels	I don't (8) what I'm (9) here
To be here with you today	How I landed in this space
I hope it's not too late (I hope it's not too late)	But it's a (10) place
I hope it's not too late	These are words I wanna say
I've been (3) up to now	Every hour of every day
I've been going with the flow	These are words that say how good it feels
Wherever that goes	To be here with you today
But something's screaming (4) inside	I hope it's not too late
Makes me want to close my eyes	Oh, yeah
And (5) the echo	I hope it's not too late
