

Fill in the gaps

Perfect (Acoustic Version) by Alanis Morissette

Sometimes is never (1) enough	I'll live through you
If you're flawless, (2) you'll win my love	I'll make you what I never was
Don't forget to win first place	If you're the best, then maybe so am I
Don't forget to (3) that smile on (4) face	Compared to him compared to her
Be a good boy	I'm doing this for your own (7) good
Try a little harder	You'll make up for what I blew
You've got to measure up	What's the problemwhy are you crying
And make me prouder	Be a good boy
How long before you screw it up	Push a little (8) now
How many times do I (5) to tell you to hurry up	That wasn't (9) enough
With everything I do for you	To make us happy
The least you can do is keep quiet	We'll love you just the way you are
Be a good girl	If you're perfect
You've gotta try a little harder	
That (6) wasn't good enough	
To make us proud
