Fill in the gaps

Stillness Is The Move by Dirty Projectors

When the child was (1) a child	I can't imagine anything better
It did not know (2) it was	After all that we've (14) through
Like a child it had no habits	I know we'll make it after the wait
No opinion about anything	The question is a truth
Maybe I will get a job	There is nothing we can't do
Get a job as a waitress	I'll see you along the way baby
Maybe waiting tables in a diner	Isn't life under the sun just a crazy, crazy, crazy dream?
In some remote city (3) the highway	Isn't (15) of
After all (4) we've been through	the (18) the world
I know we'll make it after the wait	Before the world?
The question is a truth	Why am I here and not over, over, over there?
There is nothing we can't do	Where did (20) begin
I'll see you (5) the way baby	Where (21) space end
The (6) is the move	Where do you and I where you and I begin?
On top of (7) mountain	After all (22) we've been through
There was a (8) longing	I know we'll make it after the wait
For another (9) higher mountain	The (23) is a truth
In each (10) longing for a bigger city	There is nothing we can't do
After all that we've (11) through	I'll see you along the way baby
I (12) that I will always love you	The (24) is the move
From now until (13) baby
