## Stillness Is The Move by Dirty Projectors

## Fill in the gaps

When the child was just a child	I can't imagine anything better
It did not know what it was	After all that we've been through
Like a child it had no habits	I know we'll (5) it after the wait
No opinion about anything	The question is a truth
Maybe I will get a job	There is nothing we can't do
Get a job as a waitress	I'll see you along the way baby
Maybe (1) tables in a diner	Isn't (6) under the sun just a crazy, crazy, crazy
In some remote city down the highway	dream?
After all that we've been through	Isn't life just a mirage of the world before the world
I know we'll make it after the wait	Before the world?
The question is a truth	Why am I here and not over, over, over there?
There is nothing we can't do	Where did (7) begin
I'll see you (2) the way baby	Where does space end
The stillness is the move	Where do you and I where you and I begin?
On top of every mountain	After all that we've been through
There was a (3) longing	I know we'll make it after the wait
For another even higher mountain	The question is a truth
In each city longing for a bigger city	There is (8) we can't do
After all that we've (4) through	I'll see you along the way baby
I know that I will always love you	The stillness is the move
From now until forever baby
