Tell Laura I Love Her by Ray Peterson

aura and rommy (1) lovers	Of now his car overturned in names
He wanted to give her everything	But as they pulled him from the twisted wreck
Flowers, presents, but most of all, a wedding ring	With his dying breath, they heard him say
He saw a sign for a stock car race	Tell Laura I love her
A (2) (3) prize it read	Tell Laura I need her
He couldn't get Laura on the phone	Tell Laura not to cry
So to her mother, Tommy said	My love for her will (5) die
Fell Laura I love her	Now in the chapel (6) Laura prays
Fell Laura I need her	For her poor Tommy, who (7) away
Fell Laura I may be late	It was just for Laura he lived and died
ve something to do, that cannot wait	Alone in the chapel she can hear him cry
He drove his car to the racing grounds	Tell (8) I love her
He was the youngest driver there	Tell Laura I need her
The crowed roared as (4) started the race	Tell Laura not to cry
Around the track they drove at a deadly pace	My love for her (9) never die
