You get high	A pleasure that's for the talking
With (1) destructive instinct	You're trying it more
You get high	But you won't get satisfaction
Nith (2) corrosive instinct	Cause you presume
Where can I go	The winner is you but that's not true
To escape your foul (3) tricks	So say just words to me
You're trying it more	Unreal what your hate's providing
But you will never break me	Say just words to me
Cause you presume	Your talk is (8) contradiction
The winner is you but that's not true	Say just words to me
So say just words to me	You won't feel the warmth of friends around you
Unreal (4) your hate's providing	Say just words to me
Say just (5) to me	Is it true that there is worth inside
Your talk is always contradiction	So say just words to me
Say just words to me	Unreal what your hate's providing
You won't feel the warmth of friends around you	Say just words to me
Say (6) to me	Your talk is always contradiction
s it true that there is worth inside	Say just words to me
So say just words to me	You won't (9) the warmth of friends around you
Your desires	Say just words to me
All the worse from power craving	Is it true that there is (10) inside
Your desires	So say just words to me
Only where there's fire burning
