You get high	A (6) that's for the talking
With (1) destructive instinct	You're trying it more
You get high	But you won't get satisfaction
With your corrosive instinct	Cause you presume
Where can I go	The (7) is you but that's not true
To escape your foul mind tricks	So say just words to me

But you will never break me	Say (8) words to me
Cause you presume	Your talk is always contradiction
The winner is you but that's not true	Say just words to me
So say just words to me	You won't feel the warmth of friends around you
Unreal what your hate's providing	Say just words to me
Say just words to me	Is it true that there is (9) inside
Your talk is always contradiction	So say just words to me
Say just (2) to me	Unreal what your hate's providing
You won't (3) the (4) of friends	Say just words to me
around you	Your talk is always contradiction
Say just words to me	Say just words to me
Is it true that there is worth inside	You won't feel the warmth of friends around you
So say just words to me	Say just words to me
Your desires	Is it true that there is worth inside
All the worse from power craving	So say just words to me
Your desires
