All I Ever Wanted by Basshunter

I want to have you in my bed

You are the one

Fill in the gaps

All I ever wanted	You're in my eyes
Was to see you smiling	All I (4) wanted in my life
I know (1) I love you	All I ever wanted
Oh baby, why don't you see?	Was to see you smiling
All I (2) wanted	All I ever wanted
Was to see you smiling	Was to make you mine
All I ever wanted	I know that I love you
Was to make you mine	Oh baby, why don't you see?
I know that I love you	That all I ever wanted
Oh baby, why don't you see?	Was you and me
That all I ever wanted	All I ever wanted
Was you and me	Was to see you smiling
All I ever wanted	All I ever wanted
Was to see you smiling	Was to make you mine
All I ever wanted	I know (5) I love you
Was to make you mine	Oh baby, why don't you see?
I know (3) I love you	That all I (6) wanted
Oh baby, why don't you see?	Was you and me
That all I ever wanted	All I (7) wanted
Was you and me	Was to see you smiling
I'm so alone	All I ever wanted
Here on my own	Was to (8) you mine
And I'm waiting for you to come	I know that I love you
I want to be	Oh baby, why don't you see?
A part of you	That all I (9) wanted
Think of all the things we could do	Was you and me
And everyday	All I ever wanted
You're in my head
