

So how did you get here under my skin? I swore that I'd never let you back in

Here We Go Again by Demi Lovato

I throw all of your stuff away	Should have (6) better
Then I clear you out of my head	In trying to let you go
I tear you out of my heart	Cause here we go go go again
And ignore all your messages	Hard as I try I know I can't quit
I tell everyone we are through	Something about you is so addictive
Cause I'm so (1) better (2) you	We're falling together
But it's (3) another pretty lie	You'd think that by now I'd know
Cause I break down	Cause here we go go go again
Every time you come around	And again, and again, and again, and again
So how did you get here under my skin?	I threw all of your stuff away
I swore that I'd never let you back in	And I cleared you out of my head
Should have known better	And I tore you out of my heart
In trying to let you go	So how did you get here under my skin?
Cause here we go go go again	I swore (7) I'd (8) let you back in
Hard as I try I know I can't quit	Should (9) known better
Something about you is so addictive	In trying to let you go
We're falling together	Cause here we go go go again
You'd think that by now I'd know	Hard as I try I know I can't quit
Cause here we go go go again	Something about you is so addictive
You never know what you want	We're falling together
And you never say what you mean	You'd think that by now I'd know
But I start to go insane	Cause here we go go here we go again
Every time that you look at me	Here we go again
You only hear (4) of what I say	Should have known better
And you're always showing up too late	In trying to let you go
And I know (5) I should say goodbye	Cause (10) we go go go again
But it's no use	
Can't be with or without you
