When Your Heart Stops Beating by Plus 44

Turn it up, I (1) want to go home	I'll be there when you (5) stops beating
I only (2) to be part of your breakdown	I'll be there when your last breath's (6) away
She got caught by the four on the floor	In the dark when there's no one listening
It (3) her up and she'll never get let down	In the times when we both get carried away
And now I can't stop thinking about it	When we both get carried away
All you people at the top don't know nothing about it	I'll be there when you heart stops beating
We don't give a fuck what the price is	I'll be there when your last breath's taken away
So just leave us to our own devices	In the dark when there's no one listening
And we'll leave you alone	In the (7) (8) we both get carried
I'll be (4) when you heart stops beating	away
I'll be there when your last breath's taken away	When we both get carried away
In the dark when there's no one listening	When we (9) get (10) away
In the times when we both get carried away	(I'll be there when your heart stops beating)
When we both get carried away	When we both get carried away
She says it all without a thought in her head	(In the dark when there's no one listening)
She says it all and she's pressed up against me	When we both get carried away
A little something just to take off the edge
