When Your Heart Stops Beating by Plus 44

Turn it up, I never want to go home
I only want to be part of your breakdown

It picked her up and she'll never get let down
And now I can't stop thinking about it
All you people at the top don't know (1)_____ about it

So just leave us to our own devices
And we'll leave you alone
I'll be there when you heart stops beating
I'll be there when your last breath's taken away
In the dark when there's no one listening
In the times when we both get carried away
When we both get carried away
She says it all without a thought in her head
She says it all and she's pressed up against me
A little something just to (2)_____ off the edge
A little more and I'll fall off the planet entirely
