## Fill in the gaps

we both get carried away

## Vhen Your Heart Stops Beating by Plus 44

Turn it up, I never want to go home	I'll be there when you heart stops beating
I only want to be part of your breakdown	I'll be there when your last breath's taken away
She got caught by the four on the floor	In the dark when there's no one listening
It picked her up and she'll (1) get let down	In the times when we both get carried away
And now I can't stop thinking about it	When we both get carried away
All you people at the top don't know (2)	I'll be there when you heart stops beating
about it	I'll be there when your last breath's taken away
We don't (3) a fuck what the price is	In the dark when there's no one listening
So (4) leave us to our own devices	In the times (8) we both get carried
And we'll leave you alone	When we both get carried away
I'll be there when you heart stops beating	When we both get carried away
I'll be there when your last breath's taken away	(I'll be there when your heart stops beating)
In the dark when there's no one listening	When we both get carried away
In the times (5) we both get carried away	(In the dark when there's no one listening)
When we both get carried away	When we (9) get carried away
She (6) it all without a thought in her head	
She says it all and she's pressed up against me	
A little something just to take off the edge	
A little more and I'll (7) off the planet entirely
