Fill in the gaps

We Used To Wait by The Arcade Fire

I (1) to write	Like a patient on a table
I used to write letters I used to sign my name	I wanna walk (13) (14) move
I used to sleep at night	through the pain
Before the flashing (2) settled deep in my	Now our lives are changing fast
brain	Now our lives are (15) fast
But by the time we met	Hope that something pure can last
By the (3) we met the times had already changed	Hope that something (16) can last
So I never wrote a letter	(Oooo) we used to wait
I never took my true heart I never wrote it down	(Oooo) we used to wait
So when the (4) cut out	(Oooo) we used to wait
I was left standing in the (5)	Sometimes it never came
downtown	(Oooo we used to wait)
Now our lives are changing fast	Sometimes it never came
Now our lives are (6) fast	(Oooo we used to wait)
Hope (7) something pure can last	Still moving through the pain
Hope that something (8) can last	(O00000)
It seems strange	We (17) to wait
How we used to wait for (9) to arrive	We used to wait
But what's (10) still	We (18) to wait
Is how something so small can keep you alive	We used to wait for it
We used to wait	We used to wait for it
We used to waste hours just (11) around	Now we're screaming sing the chorus again
We used to wait	We used to wait for it
All those wasted lives in the wilderness downtown	We used to wait for it
(Oooo) we used to wait	Now we're screaming (19) the chorus again
(Oooo) we used to wait	I used to (20) for it
(Oooo) we used to wait	I (21) to (22) for it
Sometimes it never came	Hear my voice (23) sing the chorus
(Oooo we used to wait)	again
Sometimes it never came	Wait for it
(Oooo we used to wait)	Wait for it
Still moving through the pain	Wait for it
(O00000)	
I'm gonna write a letter to my true love	
I'm (12) sign my name
