We Used To Wait by The Arcade Fire

I used to write	Like a (9) on a table
I used to write letters I used to sign my name	I wanna walk again gonna move through the pa
I used to sleep at night	Now our lives are changing fast
Before the flashing lights settled (1) in my brain	Now our lives are changing fast
But by the time we met	Hope that something pure can last
By the time we met the (2) had already changed	Hope that something pure can last
So I never wrote a letter	(Oooo) we used to wait
I never (3) my true heart I never wrote it down	(Oooo) we used to wait
So when the lights cut out	(Oooo) we used to wait
I was left standing in the (4)	Sometimes it never came
downtown	(Oooo we used to wait)
Now our lives are changing fast	Sometimes it never came
Now our lives are changing fast	(Oooo we used to wait)
Hope that something pure can last	Still moving through the pain
Hope that something pure can last	(O00000)
It (5) strange	We used to wait
How we used to wait for letters to arrive	We used to wait
But what's stranger still	We used to wait
Is how something so small can (6) you alive	We used to wait for it
We used to wait	We used to wait for it
We used to waste hours just walking around	Now we're screaming sing the chorus again
We used to wait	We used to wait for it
All those wasted lives in the wilderness downtown	We used to wait for it
(Oooo) we used to wait	Now we're screaming sing the chorus again
(Oooo) we used to wait	I used to wait for it
(Oooo) we used to wait	I used to wait for it
Sometimes it never came	Hear my voice screaming sing the chorus again
(Oooo we used to wait)	Wait for it
Sometimes it never came	Wait for it
(Oooo we used to wait)	Wait for it
Still moving (7) the pain	
(O00000)
