No One's Gonna Love You by Band Of Horses

It's looking like a limb (1) off	Hard
Or altogether just taken apart	Anything to make you smile
We're reeling through an endless fall	You are the ever-living ghost of what once was
We are the ever-living (2) of what once was	I never want to hear you say
But no one is ever (3) love you more than I do	That you'd be better off
No one's gonna love you more than I do	Or you liked it that way
And anything to (4) you smile	But no one is ever gonna love you more than I do
It is my better side of you to admire	No one's gonna love you more than I do
But they should never take so long	But someone
Just to be (5) then back to another one	They should have warned you
But no one is ever gonna love you more than I do	When things start splitting at the seams and now
No one's gonna love you more than I do	The whole thing's tumbling down
But someone	Things start splitting at the (9) and now
They could have warned you	If things start splitting at the seams and now
When (6) start (7) at	It's tumbling down
the seams and now	Hard
The whole thing's tumbling down	
Things start splitting at the seams and now	
If things start (8) at the seams and	
now	
It's tumbling down
