

Fill in the gaps

No One's Gonna Love You by Band Of Horses

It's (1) like a limb (2) off	Hard
Or (3) just (4) apart	Anything to make you smile
We're reeling through an endless fall	You are the ever-living ghost of what (17) was
We are the ever-living ghost of what once was	I never want to hear you say
But no one is ever gonna love you more than I do	That you'd be better off
No one's gonna love you more than I do	Or you (18) it that way
And anything to make you smile	But no one is ever gonna love you more than I do
It is my better side of you to admire	No one's gonna love you more than I do
But they (5) never (6) so long	But someone
Just to be (7) then back to another one	They should have (19) you
But no one is ever gonna love you (8) than I do	When things (20) at
No one's gonna (9) you (10)	the (22) and now
(11) I do	The whole thing's (23) down
But someone	Things start (24) at the seams and
They could have warned you	now
When things start (12) at the seams	If things start splitting at the seams and now
and now	It's tumbling down
The (13) thing's tumbling down	Hard
Things start splitting at the seams and now	
If (14) start splitting at the (15)	
and now	
It's (16) down
