

Fill in the gaps

Please come now I think I'm falling		I'm six feet from the edge and I'm thinkin'	
I'm holding on to all I think is safe		Maybe six feet	
It seems I found the (1) to nowhere		Ain't so far down	
And I'm trying to escape		I'm so far down	
I yelled back when I heard thunder		Sad eyes (4) me	
But I'm down to one last breath		But I still believe there's something left for me	
And (2) it let me say, let me say		So please come stay with me	
Hold me now		'Cause I still believe there's (5)	left for
I'm six feet from the edge and I'm thinkin'		you and me	
Maybe six feet		For you and me	
ain't so far down		For you and me	
I'm looking down now that it's over		Hold me now	
Reflecting on all of my mistakes		I'm six feet from the edge and I'm thinkin'	
I (3)	I found the road to somewhere	Hold me now	
Somewhere in His grace		I'm six feet (6) the edge and I'm thinkin'	
I cried out, "Heaven save me"		Maybe six feet	
But I'm down to one last breath		Ain't so far down	
And with it let me say, let me say		Hold me now	
Hold me now		I'm six feet from the edge and I'm thinkin'	
I'm six feet from the edge and I'm thinkin'		Maybe six feet	
Maybe six feet		Ain't so far down	
Ain't so far down		Please (7) now I think I'm falling	
Hold me now		I'm holding on to what I think is (8)
