

Fill in the gaps

Please (1) now I think I'm falling	I'm six (8) from the edge and I'm thinkin'
m holding on to all I think is safe	Maybe six feet
t seems I found the road to nowhere	Ain't so far down
And I'm (2) to escape	I'm so far down
yelled back when I heard thunder	Sad (9) me
But I'm down to one last breath	But I still (11) there's something left for me
And with it let me say, let me say	So (12) (13) (14) with
Hold me now	me
'm six (3) from the edge and I'm thinkin'	'Cause I still believe there's something left for you and me
Maybe six feet	For you and me
ain't so far down	For you and me
'm looking down now (4) it's over	Hold me now
Reflecting on all of my mistakes	I'm six (15) (16) the edge and I'm
thought I found the (5) to somewhere	thinkin'
Somewhere in His grace	Hold me now
cried out, "Heaven save me"	I'm six (17) from the edge and I'm thinkin'
But I'm (6) to one (7) breath	Maybe six feet
And with it let me say, let me say	Ain't so far down
Hold me now	Hold me now
'm six feet from the edge and I'm thinkin'	I'm six feet (18) the edge and I'm thinkin'
Maybe six feet	Maybe six feet
Ain't so far down	Ain't so far down
Hold me now	Please come now I (19) I'm falling
	I'm holding on to (20) I (21) is safe
