## First Day Of My Life by Bright Eyes

This is the first day of my life		You said (5)	changed
I swear I was born right in the doorway		You felt as if you just woke up	
I went out in the rain		And you said, "This is the first day of my life,	
Suddenly everything changed they're spreading		I'm glad I didn't die before I met you,	
Blankets on the beach		But now I don't care, I could go anywhere with you,	
Yours is the first face that I saw		And I'd (6)	be happy"
I (1) I was blin	nd (2) I met you	So if you want to be with me	
I don't know where I am		With these things there's no telling	
I don't know where I've been		We just have to wait and see	
But I (3) where I want to go		But I'd (7)	be working for a paycheck
So I thought I'd let you know		Than waiting to win the lottery	
These things take forever, I especially am slow		Besides, (8)	this time it's different
But I (4)	_ that I need you	I mean, I really think y	ou like me
And I wondered if I could come home			
Remember the time you dr	ove all night		
Just to meet me in the mor	ning?		
And I thought it was strange
