

Fill in the gaps

In the car, I (1) can't wait	Please don't hint (7)
To pick you up on our very first date	I dread a thought of our ve
Is it cool if I hold your hand?	A (8) that
Is it wrong if I think its (2) to dance?	Let's go, don't wait, this nig
Do you (3) my stupid hair?	Honest, lets make, this nig
Would you guess that I didn't (4) what to wear?	Forever and ever, let's mal
I'm just scared of what you think	Forever and ever, let's mal
You make me nervous so I really can't eat	Let's go, don't wait, this (1
Let's go, don't wait, (5) night almost over	Honest, lets make, this nig
Honest, lets make, this night last forever	Forever and ever, let's mal
Forever and ever, let's make this (6) forever	Forever and ever, let's mal
Forever and ever, let's make this last forever	Forever, and ever
When you smile, I melt inside	Lets make this last forever
I'm not worthy for a minute of your time	Forever, and ever
I really wish it was only me and you	Lets make this last forever
I'm jealous of everybody in the room	
Please don't look at me with those eyes
