

## Fill in the gaps

in the car, i just can't wait
To pick you up on our very (1) date
Is it cool if I hold your hand?
Is it wrong if I think its lame to dance?
Do you like my stupid hair?
Would you (2) that I didn't know what to wear?
I'm just scared of what you think
You make me nervous so I really can't eat
Let's go, don't wait, this night almost over
Honest, lets make, this (3) last forever
Forever and ever, let's make this last forever
Forever and ever, let's make this last forever
When you smile, I melt inside
I'm not (4) for a (5) of your
time
I really wish it was only me and you
I'm (6) of everybody in the room
Please don't look at me with those eyes

Please don't nint that you're capable of lies
I dread a thought of our very first kiss
A target that I (7) gonna miss
Let's go, don't wait, (8) night almost over
Honest, lets make, this night last forever
Forever and ever, let's (9) this last forever
Forever and ever, let's make this last forever
Let's go, don't wait, this night almost over
Honest, lets make, this night last forever
Forever and ever, let's make this last forever
Forever and ever, let's (10) this last forever
Forever, and ever
Lets make this last forever
Forever, and ever
Lets make this last forever
