You were (1) by a pro				
I (2) just how you feel				
She talked a perfect game				
Deflecting all the blame				
You (3) the jack				
And changed the flat				
And got (4) the wheel				
Now you're (5) sideways				
Taken in by the scenery				
As you're (6) along				
And your companion				
Will not help you to navigate				
For (7) she may be wrong				
I fear she may be wrong				
And you (8) say				
That you're making headway				
And put it in overdrive				
But you're (9) speed				
For (10) (11) you need				
And never even noticing				
You (12) do arrive				
Cause you're driving sideways				
If you roll down the (13) you'll see				

And your companion Will not help you to navigate For (14) she may be wrong I (15) she (16) wrong And you're (17) by The (18) lie That it's just (19) the bend And when this, by default Comes screeching to a halt Let's hope (20) you know (21) to do To start it up again Driving sideways Hitting scan on the radio So she can sing along And she'll sit Thinking you're going to handle it Until she's proven wrong Until she's proven wrong Until you (22) her (wrong) (Driving sideways)	You're where you don't belong			
For (14) she may be wrong I (15) she (16) wrong And you're (17) by The (18) lie That it's just (19) the bend And when this, by default Comes screeching to a halt Let's hope (20) you know (21) to do To start it up again Driving sideways Hitting scan on the radio So she can sing along And she'll sit Thinking you're going to handle it Until she's proven wrong Until she's proven wrong Until you (22) her (wrong)	And your companion
