And truth be told, I'm lying

Fill in the gaps

Gives You Hell by The All-American Rejects

I wake up every evening	When you see my face
With a big smile on my face	Hope it gives you hell
And it never feels out of place	Hope it gives you hell
And you're (1) probably working	When you walk my way
At a nine to five pace	Hope it gives you hell
I wonder how bad that tastes	Hope it gives you hell
When you see my face	If you (5) a man that's worth a damn
Hope it gives you hell	And treats you well
Hope it gives you hell	Then he's a fool you're (6) as well
When you walk my way	Hope it gives you hell
Hope it (2) you hell	Now you'll never see
Hope it gives you hell	What you've done to me
Now where's you're (3) fence love?	You can take back your memories
And where's that shiny car?	They're no good to me
And did it ever get you far?	And here's all you're lies
You never seemed so tense love	You can look me in the eyes
I've never seen you fall so hard	With that sad, sad look
Do you know where you are?	That you wear so well
And truth be told, I miss you	
And truth be told, I'm lying	When you see my face
When you see my face	Hope it gives you hell
Hope it gives you hell	Hope it gives you hell
Hope it gives you hell	When you walk my way
When you walk my way	Hope it gives you hell
Hope it gives you hell	Hope it gives you hell
Hope it gives you hell	When you hear (7) (8) and sing along
If you find a man who's worth a damn	Boy, You (9) tell
And treats you well	Then you're a fool
Then he's a fool, you're just as well	I'm just as well
Hope it gives you hell	Hope it gives you hell
Hope it gives you hell	When you hear this song
	I hope that it will give you hell
Tomorrow you'll be thinking to yourself	You can sing along
"Where did it all go wrong?"	I hope that it will (10) you well
But the list goes on and on	
And truth be told, I (4) you
