

Fill in the gaps

Don't taint this ground	So fragile on the inside
With the color of the past	You climb these grapevines
Are the sounds in bloom with you	Would you (6) now
Cause you (1) like	Unto this pit of me on the ground
An orchard of mines	And you wander through these
Just take one step at a time	To climb these grapevines
And you seem	To know
To break like time	To feel
So fragile on the inside	To play me once again
You climb these grapevines	Do you (7) from (8) we fee
Would you look now	Do you not know
Unto this pit of me on the ground	I see you play the game
And you wander through these	Do you denote
To (2) these grapevines	(La fiamma riposa, L'ombra dispare)
Vines	(La voce immortale mormora)
I say it to be proud	To know
Won't have my life turn upside down	To feel
Says the man with some	To (9) me once again
With some gold forged plan	Do you denote
Of (3) so incomplete	Do you not know
Like weights strapped around my feet	I see you play the game
Tread careful one (4) at a time	Denote
And you seem	
To (5) like time
