This is my life	And now that were here
Its not what it was before	So far away
All these feelings I've shared	All the struggle we thought was in vain
And these are my dreams	And all mistakes one life contains
That I've never lived before	They all finally start to go away
Somebody shake me	And now that were here
Cause I, I must be sleeping	So far away
And now that we're here,	And I feel like I can face the day
So far away	I can forgive, and I'm not ashamed to be the

One life contained	Please don't (7) me
