

Fill in the gaps

This is my life	And now that were here
Its not (1) it was before	So far away
All these feelings I've shared	All the struggle we thought was in vain
And these are my dreams	And all mistakes one life contains
That I've never lived before	They all finally start to go away
Somebody shake me	And now (5) were here
Cause I, I must be sleeping	So far away
And now that we're here,	And I feel like I can face the day
So far away	I can forgive, and I'm not (6) to be the
All the struggle we thought was in vain	person that I am today
And all the mistakes,	I'm so afraid of waking
One life contained	Please don't shake me
They all finally start to go away	Afraid of waking
And now that we're here its so far away	Please dont shake me
And I feel like I can face the day	And now that (7) here
I can forgive, and (2) not (3)	So far away
to be the person that I am today	All the struggle we thought was in vain
These are my words	And all the mistakes one (8) contains
That I've never said before	They all finally start to go away
I think I'm doing ok	And now that were here
And this is the smile	So far away
That I've (4) shown before	And I feel (9) I can face the day
Somebody shake me	I can forgive, and I'm not (10) to be the
Cause I, I must be sleeping	person that I am today
