

Fill in the gaps

What I Miss About You by Katie Melua

Missing the train every morning at 8:52

Sipping coffee from the same cup as you

The sharing of secrets we thought no one else knew

That's what I (1)_____ about you

The new way that (2)_____ had made me see

Your bashful grin when you asked if I would like your key

The knowing way you used to caress me

That's what I miss about you

You stole in with your starry smile exciting me

Driving with you in your new car, feeling free

If it's true that love is blind, then I was blind willingly

You made me feel we had a future

That could be and would be

The way you (3)_____ I'd be no one on my own

Your habit of (4)_____ (5)_____ in over-priced cologne

The way you (6)_____ the light out

When I knew you were home

That's what I don't miss about you

I bet you're using your weary magic like it's new

Driving so fast with a new fool beside you

Presumably believing she's the last of the lucky few

I wonder if she knows she's being lied to like I do

The way I only doubted myself (7)_____ I was (8)_____ you

Like I was a fool for expecting something from (9)_____ too

Your skill of (10)_____ me down in-front of everyone we knew

That's what I don't miss about you
