

## Fill in the gaps

I'm getting tired of asking	And try to make things right
Is this the final time	Cause I'll be (14) for a fight
So did I (1) you happy?	(Yeah)
Cause you cried an ocean	I never wanted (15) to end this way
Theres a thousand lies	Take and take the blue sky and turn it grey
About the way you smile	I swore to you that I would do my best to change
Written in my mind	You said it don't matter
But (2) (3) words a lie	I'm (16) at you (17) another
I never (4) everything to end this way	point of view
Take and take the blue sky and (5) it grey	Don't know how the hell I fell in love with you
I (6) to you that i (7) do my best to	I would (18) wish (19) to feel the
change	way
You said it don't matter	I do
I'm looking at you from (8) point of view	I never (20) everything to end (21)
Don't know how the hell I'm in love (9) you	way
I (10) never wish anyone to feel the way	Take and take the (22) sky and turn it grey
I do	I swore to you that I would do my (23) to change
Is (11) a sound from heaven	You said it don't matter
Showing me the light	I'm (24) at you from another
Was this supposed to happen	(25) of view
I'm (12) off without you	Don't know how the (26) I fell in love with you
So you can leave tonight	I would never wish (27) to feel the way
Don't you dare (13) back	I do
