| I've been kicked around                    |
| But she (2) it all for me                  |
| And I lost my faith                        |
| In my (3) days                             |
| But she makes me (4) to believe            |
| They call her love, love, love, love, love |
| They call her love, love, love, love, love |
| She's all I need                           |
| Well I had my ways                         |
| They were all in vain                      |
| And she (5) patiently                      |
| It was all the same                        |
| All my pride and shame                     |
| And she put me on my feet                  |
| They call her love, love, love, love, love |
| They call her love, love, love, love, love |
