

I've been (1)		down		
I've (2)	(3)		around	
But she takes it all for me				
And I lost my faith				
In my (4)		days		
But she makes me	(5)	to b	elieve	
They (6)	her love,	love, lov	e, love, love	
They (7)	her love,	love, lov	e, love, love	
She's all I need				
Well I had my ways	i			
They (8)	all in vai	า		
And she (9)		oatiently		
It was all the same				
All my pride and shame				
And she put me on my feet				
They (10)	_ her love	e, love, lo	ve, love, love	
They (11)	_ her love	e, love, lo	ve, love, love	

## Fill in the gaps

They (12) her love, love, love, love, love
She is love, and she is all I need
And when that (13) slows down, dear
And when those stars (14) out, here
(Oh) she'll be there
Yes she'll be there
They call her love, love, love, love, love
They call her love, love, love, love, love
They (15) her love, love, love, love, love
They (16) her love, love, love, love, love
She is love, and she is all I need
She is love, and she is all I need
She is love, and she is all I need
She's all I need
