My Friends Over You by New Found Glory

I'm drunk off your kiss
For another night in a row
This is becoming too routine for me
But I did not mean to lead you on
And (1)_____ all right to pretend
That we still talk
It's just for show, isn't it
It's my fault that it fell apart
Just maybe
You need this
And I didn't mean to
Lead you on
You were everything I wanted
But I just can't finish what I've started
There's no room left here on my back
It was damaged long ago
Though you swear that you are true
I still pick my friends over you
My friends over you
Please tell me everything
That you think that I should know
About all the plans you made
When I was nowhere to be found
And (2)_____ all right to forget
That we still talk
It's just for fun, (3)_____ it
It's my fault that it fell apart
Just maybe you need this

And I didn't mean to
Lead you on
You were everything I wanted
But I just can't finish what I've started
There's no room left here on my back
It was damaged (4)_____ ago
Though you swear that you are true
I still (5)_____ my friends over you

And I didn't mean to
Lead you on

But I just can't (6)_____ what I've started

Though you swear that you are true
I still pick my friends over...
