My Friends Over You by New Found Glory

I'm drunk off your kiss

For (1)_____ night in a row

This is (2)_____ too routine for me

But I did not mean to lead you on

And it's all right to pretend

That we still talk

It's just for show, isn't it

It's my fault that it fell apart

Just maybe

You need this

And I didn't mean to

Lead you on

You were everything I wanted

But I just can't finish what I've started

There's no room (3)_____ here on my back

It was (4)_____ long ago

Though you swear that you are true

I still pick my friends over you

My friends over you

Please tell me everything

That you think that I should know

About all the plans you made

When I was nowhere to be found

And it's all right to forget

That we still talk

It's just for fun, isn't it

It's my fault that it fell apart

Just maybe you (5)_____ this

And I didn't mean to

Lead you on

You (6)_____ everything I wanted

But I just can't finish what I've started

There's no room left here on my back

It was damaged long ago

Though you swear that you are true

I still pick my friends over you

My friends over you

Just maybe you need this

You need this...

And I didn't mean to

Lead you on

You were (7)_____ I wanted

But I just can't finish what I've started

There's no room left here on my back

It was damaged long ago

Though you (8)_____ that you are true

I still pick my friends over...

You were (9)_____ I wanted

But I just can't finish what I've started

There's no room left here on my back

It was damaged long ago

Though you swear that you are true

I still pick my friends over you
