My Friends Over You by New Found Glory

I'm drunk off your kiss		And I (3) mean to
For another night in a row		Lead you on
This is becoming too (1)_	for me	You were everything I wanted
But I did not mean to lead you on		But I just can't finish (4) I've started
And it's all right to pretend		There's no room (5) here on my back
That we still talk		It was (6) long ago
It's just for show, isn't it		Though you swear that you are true
It's my fault that it fell apart		I still pick my friends over you
Just maybe		My friends (7) you
You need this		Just maybe you need this
And I didn't mean to		You need this
Lead you on		And I didn't mean to
You were everything I wanted		Lead you on
But I just can't finish what I've started		You were everything I wanted
There's no room left here on my back		But I just can't finish what I've started
It was damaged long ago		There's no room left (8) on my back
Though you swear that you are true		It was damaged long ago
I still pick my friends over you		Though you swear that you are true
My friends over you		I (9) pick my friends over
Please tell me everything		You were everything I wanted
That you (2)	that I should know	But I just can't finish what I've started
About all the plans you made		There's no room left here on my back
When I was nowhere to be found		It was damaged long ago
And it's all right to forget		Though you (10) that you are true
That we still talk		I still pick my friends over you
It's just for fun, isn't it		My friends over you
It's my fault that it fell apar	rt
