My Friends Over You by New Found Glory

I'm drunk off your kiss		And I didn't mean to	
For another night in a row		Lead you on	
This is becoming too (1)	for me	You were everything I wanted	
But I did not (2) to (3)) you on	But I just can't finish what I've started	
And it's all (4) to pretend		There's no room left here on my back	
That we still talk		It was (16)	long ago
It's (5) for show, isn't it		Though you (17)	_ that you are true
It's my fault that it fell apart		I still pick my (18)	over you
Just maybe		My friends over you	
You need this		Just maybe you need this	
And I didn't mean to		You need this	
Lead you on		And I didn't (19) to	
You were (6) I wanted		Lead you on	
But I (7) can't finish what I've started		You were (20)	I wanted
There's no room (8) here on my back		But I just can't finish (21) I've started	
It was damaged long ago		There's no room left (22) on my back	
Though you swear that you are true		It was damaged long ago	
I (9) pick my friends over you		Though you swear that you are true	
My friends (10) you		I still pick my friends over	
Please tell me everything		You were (23) I wanted	
That you (11) (12)	I should know	But I just can't finish what I'v	e started
About all the plans you made		There's no room left (24)	on my back
When I was (13)	to be found	It was damaged (25)	ago
And it's all right to forget		Though you swear that you are true	
That we still talk		I still (26) my (27	') over you
It's just for fun, (14)	it	My friends over you	
It's my fault that it (15)	apart		
Just maybe you need this
