Sorry, Blame It On Me by Akon

...

As life goes on I'm starting to learn more and more about responsibility

And I realize that everything I do is affecting the people around me

So I want to take this time out to apologize for things that

I've done things that haven't occurred yet

and things that they don't want to take responsibility for

I'm sorry for the times that I left you home

I was on the road and you were alone

I'm sorry for the times that I had to go

I'm sorry for the (1)_____ that I did not know

And I'm not too blind to know

All the pain you kept inside you

Even (10)_____ you might not show

If I can't apologize for being wrong

Then it's just a shame on me
