I'm sorry that I went and added to your grief

## Fill in the gaps

	I'm sorry that (16) son was once a thief
As life goes on I'm starting to (1) more and more	I'm sorry that I grew up way to fast
about responsibility	I wish I would of listened and not be so bad
And I realize that everything I do is affecting the people	I'm sorry that your life (17) out this way
around me	I'm sorry (18) the feds (19) and took me
So I want to take this time out to apologize for things that	away
I've done things that haven't occurred yet	I (20) that there's some problems
and things (2) they don't want to take responsibility	And I'm not too blind to know
for	All the pain you kept inside you
I'm sorry for the times that I left you home	Even though you (21) not show
I was on the road and you were alone	If I can't apologize for being wrong
I'm sorry for the times that I had to go	Then it's just a shame on me
I'm sorry for the fact that I did not know	I'll be the reason for your pain
That you were sitting (3) just wishing we	And you can put the blame on me
Could go back to when it was just you and me	Said you can put the blame on me
I'm (4) for the times I would neglect	Said you can put the blame on me
I'm sorry for the times I disrespect	Said you can put the blame on me
I'm sorry for the wrong (5) that I've done	You can put the blame on me
I'm sorry I'm not always (6) for my sons	I'm sorry that it took so long to see
I'm sorry for the (7) that I'm not aware	But they were dead wrong (22) to put it on me
That you can't sleep at (8) when I am not there	I'm sorry that it took so long to speak
Because I'm in the streets like everyday	But I was on tour with Gwen Stefani
I'm sorry for the things that I did not say	I'm (23) for the hand that she was dealt
Like how you are the best (9) in my world	And for the embarrassment that she felt
And how I'm so proud to call you my girl	She's just a little young girl trying to have fun
I understand that there's some problems	But daddy should of never let her out that young
And I'm not too blind to know	I'm sorry for Club Zen getting shut down
All the (10) you (11) inside you	I (24) they manage better next (25)
Even though you might not show	around
If I can't apologize for being wrong	How was I to know she was underage
Then it's just a shame on me	In a 21 and older club they say
l'II be the reason for your pain	Why doesn't anybody want to take blame
And you can put the (12) on me	Verizon backed out disgracing my name
You can put the blame on me (4x)	I'm just a singer trying to entertain
Said you can put the blame on me (3x)	Because I love my fans I'll take that blame
You can put the blame on me	Even though the blame's on you
l'm sorry for the things that he put you through	Even though the blame's on you
And all the times you didn't know what to do	Even (26) the blame's on you
I'm sorry that you had to go and sell (13) bags	I'll take that blame from you
Just trying to stay busy until you heard from dad	And you can put that blame on me
When you (14) rather be home with all your kids	And you can put that blame on me
As one big family with love and bliss	You can put that blame on me
And even though pops treated us like kings	You can put that blame on me
He got a second (15) and you didn't agree	And you can put that blame on me
He got up and left you there all alone	And you can put that blame on me
I'm sorry that you had to do it on your own	, (
