Come on in child, take my hand Here there's no work or play Only one bill to pay There's (1) (2) words to say As you go down, down You're gonna burn in hell (Oh) Burn in hell You can't believe all the things I've done (3) in my life Without even trying I've lived on the (4) of a knife Well, I've played with fire But I don't want to get myself burned To thine own self be true So I think that it's time for a turn Before I (5) in hell (Oh) Burn in hell Take a good look in your heart Tell me what do you see? It's black and it's dark now Is that how you want it to be?
