

Fill in the gaps

I open my eyes	So I try to hold (13) a time when nothing mattered
I try to see but I'm (1) by the white light	And I can't explain (14) happened
I can't remember how	And I can't erase the (15) (16) I'v
I can't remember why	done
I'm (2) here tonight	No, I can't
And I can't (3) the pain	How could this happen to me?
And I can't make it go away	I made my mistakes
No, I can't (4) the pain	I've got no where to run
How could this happen to me?	The night goes on as I'm fading away
I (5) my mistakes	I'm sick of this life
I've got no (6) to run	l just (17) scream
The night (7) on as I'm fading away	How (18) (19) happen to me?
I'm (8) of this life	I (20) my mistakes
l just (9) scream	I've got no where to run
How could (10) (11) to me?	The (21) on as I'm fading away
Everybody's screaming	I'm (23) of (24) life
I try to make a sound but no one hears me	I just wanna scream
I'm slipping off the edge	How could this happen to me?
I'm hanging by a thread	
I wanna start this (12) again
