## Digging The Grave by Faith No More

It would be (1) to ask you why	And the feeling goes away
Because I know what goes inside	When you close the door
Is only half of what comes out	Comfortable
Isn't that what it's about, it's about?	Digging the grave, I got it made
To remind us we're alive	Let something in, or something out?
To remind us we're not blind	You left the (6) open wide
In that big, black hole	Digging the grave, I got it made
Comfortable	Comfortable
Digging the grave, I got it made	Digging the grave, I got it made
Let something in, or something out?	Let something in, or (7) out?
You left the door (2) wide	You left the door (8) wide
I (3) you have a reason why	And it's out of this world, comfortable
That knot is better left untied	Out of this world, comfortable
I just went and undid mine	Out of this world, comfortable
It takes (4) time	Out of this world, comfortable
And the shadows so big	
It (5) the sun out of the day
