Despair to the point where they provoke	When did your list replace the twist and turn?
The punchline before they (1) told the joke	Like the fist replace the kiss-on concern
The sheer desperation to be seen	And if you're bothered
Staring at the television screen	I don't want your prayers
Despair up to the (2) where they provoke	Save it for the (4) after
You to tell the fucking punchline before you have told the joke	And it's the (5) time that it's even
But sorry, sunshine, it doesn't exist	bolder
It wasn't in the top 100 list	Don't be surprised when you get bent over
And it's the thousandth (3) that it's even bolder	They told ya
Don't be surprised when you get bent over	But you were gagging for it
They told you	Let's have a game on the Teddy Picker
But you were gagging for it	Not quick (6) can i (7) it quicker?
She saw it and she grabbed it and it wasn't what it seemed	Already thick, can you get in thicker
The kids all dream of making it, whatever that means	Let's have a game on the Teddy Picker
Another variation on a theme	Not quick (8) can i have it quicker?
A tangle on the television and the magazine	Already thick, can you get in thicker
D'you reckon that they do it for a joke?	'Cos you meant that all (9) are equal
D'you reckon that they make them take an oath	Who'd want to be men of the people
That says: We are defenders	When there's people like you
