

Fill in the gaps

Despair to the point where they provoke	When did your list (6) the twist and turn?
The punchline before they have (1) the joke	Like the fist replace the kiss-on concern
The (2) desperation to be seen	And if you're bothered
Staring at the television screen	I don't (7) your prayers
Despair up to the point where they provoke	Save it for the morning after
You to tell the fucking punchline before you have told the joke	And it's the thousandth time that it's even bolder
But sorry, sunshine, it doesn't exist	Don't be surprised when you get bent over
It wasn't in the top 100 list	They told ya
And it's the thousandth (3) that it's even bolder	But you were gagging for it
Don't be surprised when you get bent over	Let's have a (8) on the Teddy Picker
They told you	Not quick enough can i (9) it quicker?
But you were (4) for it	Already thick, can you get in thicker
She saw it and she grabbed it and it wasn't what it seemed	Let's have a game on the Teddy Picker
The kids all dream of making it, whatever that means	Not quick enough can i have it quicker?
Another variation on a theme	Already thick, can you get in thicker
A (5) on the television and the magazine	'Cos you meant that all things are equal
D'you reckon that they do it for a joke?	Who'd want to be men of the people
D'you reckon that they make them take an oath	When there's (10) like you
That says: We are defenders
