## The Foetus of a New Day Kicking by Cradle Of Filth

I'm chaos international	Now I'm reeling (12) the shock at ground zero
The writing on the wall	If yesterday you (13) have stood up proud
a Lazarus in parable	Then why tonight have you thrown in with the stoning crowd?
A (1) and sullen lullaby	I'll breathe through the foetus of a new day kicking
Whispers (2) as you die	On a night like this
Promising (3) are nigh	You laid the serpents kiss
Danger warning levels hissed out loud	In (14) (15) of Gethsemane
I saw the silver lining hidden in the mushroom cloud	You played the traitor well
Now I'm reeling from the (4) at ground zero	In a (16) to come
If yesterday you (5) have (6) up	I (17) blind the sun
proud	To grant you (18) as my enemy
Then why tonight have you thrown in with the stoning crowd?	Before (19) you to hell
I'll (7) through the foetus of a new day	Danger (20) levels hissed out loud
kicking	I saw the silver lining hidden in the mushroom cloud
The foetus of a new day kicking	Now I'm (21) from the shock at ground zero
It's true that Jesus cannot save	If yesterday you would (22) stood up proud
I'm rising from the grave	Then why (23) (24) you thrown
To put my (8) to shame	in with the stoning crowd?
A poison rush, a heart attack	I'll breathe (25) the foetus of a new day
A (10) assassin painted black	kicking
You'll fear this (11) coming back	
Danger warning levels hissed out loud	
I saw the silver lining hidden in the mushroom cloud
