## The Foetus of a New Day Kicking by Cradle Of Filth

I'm chaos international	Now I'm (5) from the shock at ground zero
The writing on the wall	If yesterday you would (6) (7) up
a Lazarus in parable	proud
A dark and sullen lullaby	Then why tonight have you thrown in with the stoning crowd?
Whispers softly as you die	I'II (8) the foetus of a
Promising torments are nigh	new day kicking
Danger warning levels hissed out loud	On a night like this
I saw the silver lining hidden in the mushroom cloud	You laid the serpents kiss
Now I'm reeling from the shock at ground zero	In this garden of Gethsemane
If yesterday you would have stood up proud	You played the traitor well
Then why tonight have you (1) in with the	In a dawn to come
(2) crowd?	I will blind the sun
I'll breathe through the foetus of a new day kicking	To grant you pardon as my enemy
The foetus of a new day kicking	Before damning you to hell
It's true that Jesus cannot save	Danger warning levels hissed out loud
I'm rising from the grave	I saw the (10) lining hidden in the mushroom
To put my double cross to shame	cloud
A poison rush, a heart attack	Now I'm reeling from the shock at ground zero
A white (3) painted black	If yesterday you would have stood up proud
You'll fear this reaper coming back	Then why tonight have you thrown in with the stoning crowd?
Danger (4) levels hissed out loud	I'll breathe through the foetus of a new day kicking
I saw the silver lining hidden in the mushroom cloud
