

Fill in the gaps

'm (1) a believer that things will get better	I've never been that lucky
Some can take it or leave it	I've never tasted fame
But I don't want to let it go	I'm always looking for something
I'm just a believer that things will get better	But I hate changing
Some can take it or leave it	Time fades, no space
But I don't want to let it go	As life breaks new ground
I'm a little bit sheltered	I'm just a believer that things will get better
I'm a little bit scared	Some can take it or leave it
I'm a little bit nervous	But I don't want to let it go
I'm going nowhere	I'm just a believer that (7) will get better
I'm a little bit jealous	Some can take it or leave it
I'm a little bit slow	But I don't want to let it go
I'm a little bit hurtful	It doesn't matter what is out there
And I don't (2) to let it go, no	My head is spinning and I won't (8) out
And I don't want to let it go	It doesn't matter what is out there
I'm a little bit angry	Because time fades
(3) everyone's around	There's no space
But I get a little lonely	As life breaks new ground
When no one's out	I'm just a believer that things will get better
I feel my (4) me	Some can take it or leave it
I'm just a believer that things will get better	But I don't (9) to let it go
Some can take it or leave it	I'm just a believer that things will get better
But I don't want to let it go	Some can take it or leave it
I'm just a believer that (6) will get better	But I don't want to let it go
Some can take it or leave it	I'm just a believer that things will get better
But I don't want to let it go	(10) can take it or leave it
Maybe when I get older	But I don't want to let it go
And I'm in the ground	I don't want to let it go
Weights off my shoulders	
It was bringing me down
