

Fill in the gaps

This pretty face by Amy Macdonald

I don't care	I can't quite believe it anymore
Who does her hair or	What happened to believing
What clothes she wears	(6) beauty's in the eye of the beholder
I don't care if it's YSL	You'll never know who you'll meet on your way to the top
I don't (1) if it's Chanel	You'll probably see them (7)
What matters to me is a strong belief	When your fame starts to drop
All (2) beauty is skin deep	Down down, I'll meet you on the ground
Don't care about hair, don't care about eyes	It's no good with your hair and your shiny blue eyes
It's about what's inside	It's no good when you finally start to realize
You'll never know who you'll meet on your way to the top	I need something more
You'll probably see them again	This pretty (8) don't work no more
When your (3) starts to drop	You'll never know who you'll meet on (9) way to
Down down, I'll meet you on the ground	the top
It's no good with your hair and your shiny blue eyes	You'll probably see them again
It's no good when you finally start to realize	When your fame starts to drop
I need something more	Down down, I'll (10) you on the ground
This pretty face, don't work no more	It's no good with your hair and your shiny blue eyes
(4) happened to achieving	It's no good when you finally start to realize
What happened to believing in yourself	I need something more
Why (5) to the musings of someone,	This pretty face, don't work no more
somebody else	
I'm sorry I don't see and	

Ansv 1. care
