

## Fill in the gaps

## This pretty face by Amy Macdonald

I don't care	I can't quite believe it anymore
Who (1) her hair or	What happened to (10)
What clothes she wears	(11) beauty's in the eye of the beholder
I don't care if it's YSL	You'll (12) know who you'll meet on your way to
I don't care if it's Chanel	the top
What matters to me is a (2) belief	You'll (13) see them (14)
All this beauty is skin deep	When your fame starts to drop
Don't care about hair, don't care about eyes	Down down, I'll meet you on the ground
It's about what's inside	It's no (15) with your hair and your shiny blue eyes
You'll never know who you'll (3) on your way to	It's no good when you (16) start to realize
the top	I need something more
You'll probably see them (4)	(17) pretty face don't work no more
When your fame (5) to drop	You'll never know who you'll (18) on your way to
Down down, I'll meet you on the ground	the top
It's no good (6) your hair and your shiny blue eyes	You'll (19) see (20) again
It's no good when you (7) start to realize	When (21) fame starts to drop
I need something more	Down down, I'll meet you on the ground
This pretty face, don't work no more	It's no good with your hair and (22)
What happened to achieving	(23) eyes
What happened to (8) in yourself	It's no good when you finally start to realize
Why listen to the musings of someone, somebody else	I need something more
I'm (9) I don't see and	This pretty face, don't (25) no more
